Dear Bob:

In case you have a need for a great summer intern with some legal experience (or know of someone who does), [REDACTED], is a good candidate.

[REDACTED] is a graduate of [REDACTED] and is in his second year at [REDACTED]. He worked for my firm last summer and did well.

[REDACTED] is bright, articulate, has an outstanding attitude and presents well. He also has a lot of experience with computers. (Both of his parents are [REDACTED] grads. His father is a [REDACTED], and is a former [REDACTED]. His mother [REDACTED]. She has also written many books.)

If you would help [REDACTED] in any way, both he and I would appreciate it. I have enclosed a copy of his resume for your review.

Semper Fidelis,

[REDACTED]
